

be delivered to that handler. In cases where a grower delivers a crop to more than one handler, such grower's annual allotment will be apportioned equitably among the handlers.

(f) Growers who do not produce cranberries equal to their computed annual allotment shall transfer their unused allotment to such growers' handlers. The handler shall equitably allocate the unused annual allotment to growers with excess cranberries who deliver to such handler. Unused annual allotment remaining after all such transfers have occurred shall be transferred to the committee pursuant to paragraph (g) of this section.

(g) Handlers who receive cranberries more than the sum of their growers' annual allotments have "excess cranberries," pursuant to § 929.59, and shall so notify the committee. Handlers who have remaining unused allotment pursuant to paragraph (f) of this section are "deficient" and shall so notify the committee. The committee shall equitably distribute unused allotment to all handlers having excess cranberries.

(h) The committee may establish, with the approval of the Secretary, rules and regulations necessary for the implementation and operation of this section.

EFFECTIVE DATE NOTE: At 65 FR 42614, July 11, 2000, in § 929.49(d), the phrase "On or before June 1", and in § 929.49(e), the phrase "On or before June 1 of any year in which an allotment percentage is established by the Secretary" were suspended indefinitely.

#### § 929.50 Transfers.

(a) Transfers to another grower. A grower who owns cranberry acreage on which a sales history has been established may transfer the acreage and sales history to another grower. When transfers of acreage occur, transfers of sales history will be made under the following conditions:

(1) A lease agreement between the owner of the cranberry producing acreage and a lessee: Terms of such lease agreement shall be filed with the committee prior to the committee recognizing such transfer. The lease agreement filed with the committee shall include the following information:

- (i) Name of owner and lessee;
- (ii) Starting and ending dates of the lease;
- (iii) Amount of acreage transferred; and
- (iv) The amount of sales history transferred.

(2) Total sale of cranberry acreage. When there is a sale of a grower's total cranberry producing acreage, the seller and buyer shall file a completed transfer form with the committee and the buyer will have immediate access to the sales history computation process.

(3) Partial sale or lease of cranberry acreage. When less than the total cranberry producing acreage is sold or leased, sales history associated with the portion of the acreage being sold or leased shall be transferred with the acreage. The seller and lessor shall provide the committee with a completed transfer or lease form outlining such distribution of acreage and sales history between the parties. Such transfer or lease form shall include that percentage of the sales history, as defined in § 929.48(a)(1), attributable to the acreage being transferred or leased.

(4) No transfer shall be recognized by the committee unless the transferee and transferor notify the committee in writing: *Provided That*, if unusual circumstances exist, the Committee may recognize a transfer when only one form from the transferee or transferor is filed with the committee.

(5) In a year of nonregulation, in the absence of any sales history associated with the cranberry acreage being transferred or leased, the committee shall determine the buyer's or lessee's sales history pursuant to § 929.48 of the order.

(6) During a year when a volume regulation has been established, no transfer or lease of cranberry producing acreage, without accompanying sales history, shall be recognized until the committee is in receipt of a completed transfer or lease form.

(b) The committee may establish, with the approval of the Secretary, rules and regulations, as needed, for the implementation and operation of this section.
